

Cowless Disks

NTD has included in its production line a new wide range of cowless disks for the dispersion processes.

They have been designed to adapt to the measurements of the main manufacturers of this kind of equipment. This results in offering our customers a high-quality product at a competitive price.

We manufacture any Cowless Disk size according to your specifications

Diameter (mm)	Thickness (mm)	Material	Price (Euros)
40	1	INOX AISI-316	30
50	1	INOX AISI-316	32
65	1	INOX AISI-316	35
80	1	INOX AISI-316	38
100	1	INOX AISI-316	48
150	3	INOX AISI-316	87
200	3	INOX AISI-316	113
250	3	INOX AISI-316	121
300	3	INOX AISI-316	137
350	3	INOX AISI-316	152
400	3	INOX AISI-316	178
450	3	INOX AISI-316	246
500	3	INOX AISI-316	328
600	4	INOX AISI-304 (*)	537
700	4	INOX AISI-304 (*)	566
750	4	INOX AISI-304 (*)	595
820	5	INOX AISI-304 (*)	880

(*) INOX AISI-316 optional on request
